1. Rupees 7180 – 8 – u annually or 598 – 6 – u monthly be confirmed and continued so long as the temple is in good order and services are continued therein efficiently under Rule VI 1 – Cir.

2. Considering the number of servants employed in the Temple on a Small pay and thinking the number is more than necessary, I asked the permission of the Inam Superintendent in this office no. to revise the establishment list with reference to the Chief Commissioner no and the Inam Superintendent desired me to submit the proposed list in his docket no . The list was accordingly prepared and is herewith submitted for the approval of the Inam Superintendent and for communication to the Deputy Commissioner. The list will shew the present and proposed establishment, and I need not detail here again. I think the revision is necessary for the better performance of the several duties

in the temple. I have simply mentioned in the proposed list the designation and the number of individuals to be retained for the future, but if the revised list is approved of, the appointment of individuals may be left to the discretion of the Deputy Commissioner.

3. The fines and savings of this temple, I understand are now credited to the Muzaroi Fund, and utilized for other purposes, but as it is necessary that the whole allowance granted for the benefit of this temple should be expended on it, such savings may be kept separately to be utilized for repairs of the temple &c.

4. There is a petition in this office from one Ajamika Sreenivasa Bhatta, also docket No. 103 of 31st July last month with its enclosures sent by the officer in charge of the Palace duties at the instance of the Petitioner which may be perused by the Inam Superintendent in Connection with this Case. The latter said to have been written by the late Maha Raja to the then Chief Commissioner does not bear his Signature and I am doubtful whether or not it was sent to the addressee at all. I think not, for Sir Mark Cubbon would have acted upon it, if it had been actually sent to him. If it is however proved

it was sent to him then it is certain that no action was taken by him in the matter and nothing can now be done.

31 - 10 - 74. (Sd). Syed Naswedeen -

1. The Payment is Confirmed.
2. No reference need now be made to the Deputy Commissioner as the question of the revision of such Establishments is now before the chief and Revenue Commissioners
